Looking for a place to access online or remote classes or to study? These class-rooms and other areas in the Driftmier Engineering Center are a great option.

Please observe social distancing, wear a mask, observe room capacity limits, and wipe down computer work stations with disinfectant and a paper towel before and after use.

**REMOTE CLASS AND STUDY AREAS**

- **Monday - Friday, all day**
- **Tuesday - Thursday, all day**

In addition, the second-floor computer lab in room 2115 is available Monday - Friday, all day.

**UGA STUDY SPACES**

UGA has launched an online interactive map to help students find places to study, connect to an online class, or sit for a while between on-campus classes.

Follow the QR code below to access the map:
